TUVE BALON GIN 700ML

It is purely crystaline. The aroma is characterized by a bouquet of spicy and citrus notes that gives it a strong persistent and balsamic hint. On the palate is well balanced as the acidulous and strongly aromatic taste of juniper is wisely balanced by some herbaceous. floral and wody botanicals. The sip pleasantly sweet at the beginning. expands by leaving room for some peppery nuances and fresh notes reminiscent of cinnamon. licorice and cloves. Thefinish is harmonious long with a slightly bitter ending. It is and excellent digestive if drunk stright and may as well refreshing if you add some soda water or tonic. If mixed it can add a special touch to both classic cocktails such as Gin Tonic and new creations.
