

ELGEE PARK 777 PINOT NOIR 2019

Mornington Peninsula's Oldest Vineyard Est. 1972

Identified and propagated by Dr Raymond Bernard of the University of Dijon in the early 1980s. Imported to Australia and planted at Elgee Park in 2008. 777 was selected for its short vegetative cycle making it ideal for the cool, maritime climate of the Mornington Peninsula.

Tasting note

Colour: Light ruby

Bouquet: Bright red fruits of cherry & raspberry with hints of vanilla spice.

Palate: This elegant and structured pinot noir shows beautiful red fruits reflective of the nose with savoury undertones. Framed by plentiful fine-grained tannins which will reward those patient enough to cellar it.

Food Pairing:

Cellaring:

Technical Details

Variety: Pinot Noir 777 clone

Vintage: 2019

Region: Mornington Peninsula, VIC

Alcohol: 13.5%

Vintage : Budburst was early this year which resulted in flowering with good fruit set. The warm ripening period saw harvest commence a week sooner than normal. Yields were reported as high – average with fine acidity retention and excellent balanced flavours
