

STEELS GATE PINOT NOIR HOME BLOCK 2023

Tasting Notes:

Bouquet: Aromas of fresh red cherries, wild strawberries, and hints of cranberry are immediately inviting, interwoven with subtle notes of earthy forest floor and delicate spices

Palate: On the palate, this wine reveals fine, silky tannin and a bright acidity that gives it refreshing lift. The fruit profile leans toward red cherry and strawberry, a touch of savoury herb, adding depth and complexity. A mineral streak runs through the mid-palate, showcasing the Yarra Valley's unique terroir, while a smooth, lingering finish highlights the wine's purity and balance.

Food Pair: Pairs beautifully with grilled duck, mushroom risotto, or a selection of semi-hard cheeses. Enjoy now, or cellar for 5-7 years to watch it evolve.

Technical Details
